## Popcorn gets tastier at Warren Theatres

WICHITA — Warren Theatres and Kernel Season's popcorn seasoning announced the addition of Kernel Season's shake-on toppings to Warren Theatre's concession stands in Wichita.

"The tradition of enjoying a movie with one of America's favorite snack foods — popcorn — is now tastier for our moviegoers," said Bill Warren, Warren Theatres president.

Moviegoers at Warren Theatres can add Kernel Season's popcorn flavors including white cheddar, nacho, ranch, jalapeno and caramel, to their popcorn free of charge. Kernel Season's, the No. 1 popcorn seasoning brand in America, offers 14 fla-

vors made with real cheeses and contain no MSG.

"Kernel Season's is a natural extension for Warren Theatres. They thoughtfully consider every detail in providing

the best movie-going experience possible," said Brian Taylor, Kernel Season's president. "Our quick and easy-to-use shake-on toppings will please every palette while maintaining the conve-

nience and fast-service already enjoyed at Warren Theatres concession stands."

Warren Theatres operates 34 screens at three theaters in Wichita under the Warren Theatres name. The company also operates several Palace Theatres in and around Wichita and in Springfield, Mo., and the Movie Machine in the Wichita Towne West Mall.

Warren Theatres also operates the restaurants at these facilities, namely the Hollywood Canteen, the Warren Diner and Oscar's Sports Bar.
